

Arizona End-of-Life Options

Your life. Your death. Your choice.

Here are some of the groups that endorse MAID laws (as per Compassion and Choices 2020):

National Medical Organizations

American College of Legal Medicine	American Medical Student Association
American Medical Women's Association	American Public Health Association
GLMA: Healthcare Professionals Advancing LGBT Equality	National Student Nurses' Association

National Medical Organizations that have adopted neutral (or engaged neutral) positions

The American Academy of Family Physicians	American Academy of Neurology
American Academy of Hospice and Palliative Medicine	American Nurses Association
American Society for Health System Pharmacists	

State Medical Associations

Most medical associations in authorized jurisdictions currently have neutral positions on MAID, including Oregon, California, Colorado, Vermont, Hawaii, Maine and the District of Columbia. Six other state medical societies and a handful of component societies from nonauthorized states have also recently dropped their opposition (2020).

National Latino Organizations

The Dolores Huerta Foundation	Hispanic Health Network
Latino Commission on AIDS	Latinos for Healthcare Equity
National Hispanic Council on Aging	Nuestra Salud

(These endorsements have all come in the past three years and represent a growing recognition that Latino constituents support this option.)

State Organizations

Because this issue is primarily being advanced at the state level, often it is state -- not national -- organizations that take a position. At the state level, we enjoy support from:

American Bar Association – California, Connecticut
American Civil Liberties Union – California, Connecticut, D.C., Maine, Massachusetts, Maryland, New Jersey, New Mexico, New York
American Federation of State, County and Municipal Employees – California
The Arc – New York
Disability Rights Oregon, New Mexico, Utah
Equality California
Gay and Lesbian Activist Alliance – D.C.
League of Women Voters – Maryland, New York, Utah
National Assoc. of Social Workers – California, Connecticut, Massachusetts, New Jersey, New Mexico
United Church of Christ – Central Atlantic Conference (D.C., Delaware, New Jersey, Maryland)
United Methodist Church – California, Pacific Conference
Unitarian Universalist Church – Maryland

In addition to the national, medical, state and Latino organizations that have endorsed MAID noted above, the Coalition for Liberty and Justice, the Libertarian Party, the Older Women's League, and SAGE, a national organization that provides services and advocacy for LGBT elders, have all endorsed MAID.
