

These are the positions of the candidates for Arizona Senate and House by Legislative Districts (LD) that we know so far. The only gubernatorial candidate whose position we know is Katie Hobbs, who is very supportive of MAID.

KEY ... Supportive: **S**, Not Supportive: **N**, Unclear: **U**. Any Candidate not listed means they have not responded to our question and their position is unknown. We hope to have a more comprehensive list available before the General election in November. **Incumbents are in Blue.**
